### Risqué signs with the Swedish electro pop label Substream.

**Gothenburg, Sweden, August 4<sup>th</sup>, 2006 - The electro pop duo Risqué from Barcelona, Spain, has signed a record deal with the Swedish label Substream.**

**RISQUÉ** indeed is this fresh and quirky sound that strikes your heart-strings like a bolt of electro lightning! **RISQUÉ** is Nathalie and Huw, a new and vibrant, French and Welsh combo, wed to each other and their music. **RISQUÉ**'s premiere release is '**DO YOU BELIEVE IN HEAVEN?**' and can be previewed in a pre-release version at [www.risquemusic.com](http://www.risquemusic.com).

Now **RISQUÉ** are avidly making music in their secret Barcelona studio. Their lavish sound comprises confident and robust driving rhythms, overlade with sweetly exotic and ethereal vocals.

Huw already has a well-established track-record for innovative synth production, with a concatenation of electro chart-toppers, including as **RUBIKON**

[www.rubikonmusic.net](http://www.rubikonmusic.net) and **ROOKIE** [www.myspace.com/rookiee](http://www.myspace.com/rookiee).

Nathalie's (who is French as in the movie!) voice is spellbinding, somehow creating a lyrical synthesis of innocence and sensuality. What's more, she intonates her lyrics in English and Français, exuding a romantic pan-European aura.

The couple's romantic liaison, together with their music, makes a **RISQUÉ** story. They met on a rock off the beautiful north Wales coast. To escape any Anglo/French feuding between their parents, the duo ran away on a moonlight-flit to Las Vegas. There they were wed, in the Little Chapel of the West, where Elvis was married in *Viva Las Vegas*. But the sound of music beckoned from Europe, so the couple returned to immerse themselves and play, in the club and rave scenes of Paris and London.

Now **RISQUÉ** live in Barcelona and are producing a new track, '**LAUGHABLE LOVES**' (inspired by the notorious Czech writer Milan Kundera). An early version will be online at [www.myspace.com/RISQUEmusicBarcelona](http://www.myspace.com/RISQUEmusicBarcelona) any day.
